Student transfer arrangements

The only entry point onto ArtsEd's courses is at the start of each programme. Therefore students cannot transfer credits achieved at another higher education institution to join ArtsEd's programmes part way through.

Normally, degrees can only be awarded on successful completion of all years or parts of the programme. However, students who have successfully completed either year 1 or year 2 of their undergraduate study, and who wish to transfer from ArtsEd to another institution, may, at the discretion of the Assessment Board, be granted an exit award.

Transfer between programmes at ArtsEd is not permitted.
