ArtsEd Day School & Sixth Form

Our Day School & Sixth Form is a national centre of excellence for the study of the performing arts. Founded over 100 years ago, ArtsEd's ethos remains much the same today as it was then: to provide a broad and balanced education, stretching pupils to achieve their academic, artistic, and personal potential.

An independent day school like no other; ArtsEd is an international leader in performing arts education and a local and national leader in its wider academic provision. Our pupils enjoy a high-quality vocational programme delivered by committed and creative professionals, whose expertise instils in our pupils a passion for performance that feeds into all aspects of their educational and personal development. Our students spend time every day doing what they love, encouraging their development into happy, collaborative, and well-rounded individuals, fully committed to holistic education and, at 16+ or 18+, armed with a set of skills and experiences that prepare them for whatever pathway they choose to follow.

ArtsEd Higher Education

ArtsEd is one of the UK's leading providers of degree-level conservatoire education. Our Foundation, BA and MA courses in Musical Theatre and Acting, create graduates who are innovative and resilient performers. We prepare our students for both the physical and mental rigours of the performing arts industry through a combination of outstanding vocational training and focused pastoral care. The success of our approach has led to our alumni playing a key role in the success of the UK's creative economy for many years and they include choreographers, directors, and producers, as well as performers.

Background to ArtsEd	<p>ArtsEd originated from two schools, one founded in 1919 by Grace Cone and one founded in 1922 by Olive Ripman. These two educational pioneers believed passionately in the value of combining a general academic education with specialised training in dance, drama, music and art. They were committed to preparing young people for professional careers in or related to the theatre. In 1939, Grace and Olive joined forces to create the Cone Ripman School, subsequently named the Arts Educational Schools. Dame Alicia Markova and Sir Anton Dolin drew almost exclusively on ArtsEd students to help them create their revolutionary company London Festival Ballet, which eventually became the English National Ballet. Ballerina Dame Beryl Grey became Director of the Schools in the 1960s. ArtsEd continued to innovate, introducing both professional acting and musical theatre courses and in 1986 moved to its present home in Chiswick. In 2007, Lord Andrew Lloyd Webber became President, heralding an auspicious new era for ArtsEd. The Day School and Sixth Form remains the leading school of its kind in the UK with all students possessing outstanding creativity and dedication. Academic results and vocational success are significant and our Value Added return is in the top 1% nationally. The School of Musical Theatre and School of Acting offer full-time BA and MA courses. Our Musical Theatre course is recognised as the best in the UK, while the Acting course is praised for its innovative 50:50 split between stage and screen acting. Our outstanding record of graduate success sees nearly every one of our Musical Theatre graduates and over three-quarters of our Acting graduates make their professional debuts within six months of graduating.</p> <p>In additional to vocational training and significant success in the creative arts, each year a number of ArtsEd students move on to Russell Group universities where they study a range of more traditional academic subjects, including mathematics.</p>
