REFERENCE AND ADMINISTRATIVE INFORMATION

The Arts Educational Schools ('the Trust' or 'ArtsEd') is a company limited by guarantee not having a share capital (company number 0712444) and is registered as a charity (registered charity number 311087). The Trustees and executive officers of the Charity are as listed on page 1. Particulars of the Trust's registered office which is also the main place of business and details of the professional advisers are given on pages 1 and 2.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document

The Trust is governed by its Memorandum of Association dating from 1962 and last amended in 2023.

Method of Recruitment and Appointment of Trustees

The Trustees of the Charity are the Trust's directors for the purposes of the Companies Act.

In accordance with the Articles, the Trustees of ArtsEd may recommend individuals to be appointed as new Trustees and the Members (i.e. those who are "Members" for the purposes of company law as set out in the Articles) can also nominate individuals. Candidates are interviewed, and if appropriate put forward for election by the Trustees. The new Trustees are then appointed at the Annual General Meeting. In practice the Board will encourage the Principal, and other connected parties to suggest the names of potential candidates.

The Board carries out regular reviews and skills audits to identify the appropriate mixture of skills and experience required to manage the multi-faceted affairs of ArtsEd which is also a registered charity, a company limited by guarantee, a medium sized business, and a local employer with over 200 employees.

We devote a good deal of thought to successor planning and keep a register of the mixture of skills and professional backgrounds represented on the Board. Our aim is to achieve a balanced Board with a core of individuals with educational, legal, accountancy, finance, property management, business, marketing and performing arts industry backgrounds. We review this balance regularly.

Our Articles specify that there should be a minimum of 5 and a maximum of 15 Trustees on our Board.

Trustees may serve up to three terms of three years and shall serve for no more than nine years. The current Trustees are:

Brian Brodie	(appointed 2022)	Elected June 2022
Ann Cottis	(appointed 2017)	Re-elected April 2023
Stephen Denyer	(appointed 2019)	Re-elected June 2022
Cherry Dickins	(appointed 2022)	Elected July 2022
Benjamin Gudgeon	(appointed 2022)	Elected June 2022
Brenlen Jinkens	(appointed 2017)	Re-elected April 2023
Joanna MacDonnell	(appointed 2022)	Elected June 2022
Farida Mannan	(appointed 2022)	Elected June 2022
Robert Mathieson	(appointed 2017)	Re-elected April 2023
Ruth Mundy	(appointed 2021)	Elected March 2021
Julie Spencer	(appointed 2023)	Elected March 2023
Jennifer Wilkinson	(appointed 2022)	Elected June 2022

Policies and Procedures adopted for the induction and training of Trustees

All new Trustees are given a tour of the school and the chance to meet staff and students. All Trustees are provided with copies of the policies, procedures, minutes, accounts, budgets, plans, an induction pack and any other documents they need to undertake their role as Trustees. Trustees are encouraged to attend training courses and seminars arranged by the Association of Governing Bodies of Independent Schools (AGBIS) and other professional providers, such as law and accountancy firms in order to reinforce their awareness of their varied duties and responsibilities. Trustees also receive training on KCSIE and Prevent.

Organisational Management

The Trustees are legally responsible for the overall management and control of the Schools and meet at least three times a year. The day-to-day responsibilities are delegated to the Principal. The Board has six subcommittees which meet as follows:

- The Finance Committee meets four times a year to review financial operations.
- The Facilities Committee meets three times a year to review IT and building facilities.
- The Development Committee meets three times a year to review development and funding opportunities.
- The Day School Sixth Form Committee meets at least once per term to review governance of the School.
- The Higher Education Committee meets at least once per term to review all HE Programme
- The EDI Committee meets at least once per term to review our EDI initiatives.

During the year a review of the committee structure was undertaken, which included consideration of the role and responsibilities delegated to each sub-committee; and a consideration of the terms of reference and membership of each committee. An amended committee structure will be in place effective from 1 September 2023.

In addition, a Project Board oversees and reports on delivery of capital projects. The Project Board advises on proposals for improvements, alterations, and refurbishment in the redevelopment of the ArtsEd campus. All meetings of the Trustees are attended by the Principal together with other senior staff as may be required for that meeting. Specially convened meetings of staff and Trustees are arranged from time to time on topics of strategic interest. Trustees often attend performances and meetings with external partners.

Schools Structure

ArtsEd comprises the Day School (Day School for 11-16 and Sixth Form for 16-18), the School of Musical Theatre and the School of Acting. In addition, ArtsEd Extra offers provision to the local community. These departments are supported by the Finance, Facilities, HR, Production, Academic Management, Communication and Development teams and other administrative and support services.

Senior Leadership Board

The Senior Leadership Board for the year ended 31 August 2023 comprised:

Julie Spencer, Principal

Yewande Akindele, Deputy Principal

Matthew Bulmer, Headteacher (left 17 August 2023)

Anthony Campbell (appointed 26 September 2022)

Frank Daniel, Facilities Manager

Alexander Gillespie, Finance Director

Nick Granville, IT Manager (left 16 December 2022)

David Grindrod, Executive Director (left 31 December 2022)

Peter Middleton, Interim Headteacher (appointed 1 September 2023)

Jonathan O'Boyle, Director – School of Musical Theatre

Sue Sandle, Director of Development (left 11 May 2023)

Kim Vithana, Director – School of Acting (appointed 1 September 2022)

Pay Policy for Senior Staff

The Trustees consider that they, together with the Senior Leadership Board, comprise the Key Management Personnel. The Trustees give of their time freely. Annual salary increases for all staff are approved by the Trustees. The pay and remuneration of the Principal and senior staff is kept under annual review. Criteria used in setting pay includes:

- nature of the role and responsibilities
- trends in pay.

OBJECTS, AIMS, OBJECTIVES AND ACTIVITIES

Charitable Objects

The objects for which the Trust is established are to promote the advancement of education and in connection therewith in particular to acquire, establish, provide, conduct, and carry on residential and non-residential schools in which children and students may receive a general education in conjunction with a specialised education for students desiring to follow a career in or connected with the performing arts.

Aims and intended impact

ArtsEd's aim is to provide a first-class education through strong vocational and general education and through developing wider artistic and social skills in all its pupils and students. Each pupil or student is encouraged to develop and fulfill his or her potential, promoting self-confidence and desire to contribute to the wider community.

Objectives and Activities

ArtsEd's mission is to deliver successful and fulfilling careers for all our students and staff. This mission is at the core of all decision making and ensures that students and staff are central to strategic planning.

Strategic Aims

- Provide outstanding education and training
- Widen participation and encourage a diverse student intake
- Exploit our growing reputation
- Increase our emphasis on staff development and engagement
- Foster a culture of philanthropy
- Develop the building and its facilities to enhance the student experience
- Sustain the financial health of the Schools while allowing for investment in new initiatives

Key Strategic Objectives

- To provide exceptional learning opportunities that enable all pupils and students to realise their individual potential
- To recruit, develop and retain outstanding academic and professional staff
- To review the delivery and relevance of all our education and training
- To evaluate how student development and achievement is enabled through robust quality assurance and enhancement
- To provide excellent pastoral care
- To market ArtsEd as the destination of choice for a successful and fulfilling education and career
- To develop our distinctive brand identity as the leading force in Musical Theatre training
- To continue to maintain strong relationships with the industry
- To retain and progress talented staff through development, staff wellbeing and performance management, to enable them to realise their full potential
- To build philanthropic and public support for student scholarships, the Student Support Fund and the capital campaign
- To provide facilities that are fit for purpose, through effective maintenance and refurbishment programmes, space planning and facilities management
- To achieve the required level of operational surplus to meet ongoing investment requirements and provide contingency against unanticipated adverse developments
- To achieve maximum cost efficiency and value for money in all operations
- To sustain our cash flow and liquidity
- To monitor fee levels across the sector to ensure that we remain competitive

PUBLIC BENEFIT

The Trust provides a public benefit by providing first class independent education and vocational training, both through strong teaching and through developing wider artistic and social skills in all its pupils and students. This is intended to provide an environment where each student can develop and fulfil his or her potential, thus to help build self-confidence and inculcate a desire to contribute to the wider community.

Grants and bursaries, provided by the Trust, enable those who cannot afford to pay the full fees, to benefit from an ArtsEd education. Students are also able to apply for the Dance and Drama Award (DaDA) scheme which is provided by the Education and Skills Funding Agency. This allows the most talented students from a broad range of backgrounds to benefit from the training which ArtsEd offers.

The school encourages the local community to hire the Andrew Lloyd Webber Foundation theatre and other spaces for their own activities.

In addition to the above, ArtsEd have hosted or attended the below events:

- For the first time in 2022/23, ArtsEd hosted a "Community Week", a free program of events and workships over a 2-week period in July 2023. These included:
 - Dads do dance class
 - A trans femme makeup workship with Mac cosmetics (partnered with West London Queer Project)
 - Singing workshop with residents at Denville Hall
 - Art workshop for local families (age range 0-96)
 - o Morning yoga classes on our roof garden
 - Choir in day workshop
 - o Partnered workship with Hogarth Community Centre
- Audition fee waivers are available to applicants from disadvantaged backgrounds.
- The School gave free use of its theatre to the Chiswick Book Festival
- The School gave free use of its facilities to the Bedford Park Society
- The Day School performed at and supported the Bedford Park Festival
- Students performed for residents at a local Age Concern Day Centre

The Trustees have given consideration to the Charity Commission's general guidance on public benefit, and in particular to its supplementary public benefit guidance on advancing education, and have concluded:

- that there are clearly identifiable benefits from the Schools' work which relate directly to their aims as set out above;
- there is no significant detriment flowing directly from the Schools' work which we consider needs to be balanced against those benefits;
- that the benefits which the Schools provide are widely available to the public.

REGULATORY COMPLIANCE

The summary of the external investigation undertaken by Rebecca Tuck QC (in June 2021) into allegations of historic misconduct, and the subsequent announcement by the Board of Trustees were published on 22 October 2021. The report contained a range of recommendations in response to the conclusions of the report which related over a number of years to the HE Musical Theatre activity. The Trustees subsequently agreed an action plan, which included reviews of policy and procedures, employment of an external governance adviser to review Board governance, a review of HE well-being and enhanced HE staff training with an external review of the implementation of the action plan.

Foundational work commenced immediately upon the completion of the report. An institutional restructuring of safeguarding procedures was undertaken, alongside the review and roll out of training for all staff and Trustees. A policy review working group was established to assist the institution with its policy reviews. In March 2022 an external governance adviser completed a review of the Trust's governance. The outcome of this review has had a profound effect on our operations. A 12-month action plan to address the recommendations from this review was subsequently approved by the Trustees, which focussed on 10 key themes:

- 1. Articles of Association
- 2. Membership of Committees
- 3. Annual Assurance
- 4. Governance and Management
- 5. Committee Administration

- 6. Mapping Governance and Regulatory Codes and guidance
- 7. Committee Structure Review
- 8. Development and Training
- 9. Review
- 10. Resources

ArtsEd commenced and completed work in a number of areas in 2021/22 in response to these recommendations and this work continued in 2022/23. A Clerk was appointed to the Board and in June 2022 the Trust adopted its amended Articles of Association, to include public interest governance principals, which amongst other amendments will help ensure on-going compliance with the OFS regulatory framework and the requirements of our other regulators. The amended articles also give greater clarity with regards the role of the Higher Education Committee and the DSSF Governors within ArtsEd's governance structure. The Articles of Association were further updated in March 2023 to incorporate the Principal as a Trustee.

In 2022/23 the following projects were undertaken:

- A review of the makeup of the Board of Trustees, in particular the skills mix of the Trustees. As part of this review, Trustees considered their individual skills.
- A review of the subcommittees that support the Board of Trustees, to help ensure that the Board of
 Trustees is best supported in its decision making and that each subcommittee is appropriately staffed
 and represented from a Trustee and senior management perspective. Part of this work involved a
 review of the terms of reference of each committee in the new structure, and the adoption of a clear
 framework of delegation of responsibilities.
- A consideration of annual assurance, to help ensure and confirm that the Trustees receive appropriate and timely information from each subcommittee, and that the key actions and outcomes from each subcommittee are reported to the Trustees in a timely and effective manner.
- Continued engagement between the Trustees and the SLB, through regular meetings between the Principal and the Chair of the Trustees, and through meetings between the Chair of the Trustees and the SLB members, both individually and collectively.
- The on-going review and mapping of ArtsEd's governance structure, delegation of responsibilities, and processes in accordance with the requirements of OFS and other applicable regulatory frameworks as these frameworks and requirements evolve.

In addition, throughout 2022/23, policies and procedures continued to be reviewed, with the aim of providing clarity of expectations to staff and Trustees, so that each individual is accountable for their actions in the context of the defined policies. The updated policies have been published on our website. Training has been provided to relevant staff, to support the effective implementation of the policies.

ArtsEd continues to maintain high standards across its range of activities and to sustain stable pupil and student numbers and these are more fully described for each of the schools below.

The Trustees would like to thank all staff members for the continuing success of ArtsEd, for achieving such excellent academic results and for the continued stability in the financial results.

DAY SCHOOL AND SIXTH FORM

At ArtsEd, we believe that students, and their parents, should be given the assurance that they will achieve to the very best of their potential. This is achieved in both the academic and vocational aspects of the 'ArtsEd Curriculum' through the excellence of teaching and learning; fundamentally, this is set within an environment where pastoral care is at its heart and that is inclusive, nurturing and enables all our students to thrive. This is reflected in our strong academic results that show significant added value throughout each student's journey at the School. When asked, our students say that they feel their academic success at ArtsEd is a result of the excellent teaching that is coupled with feeling safe, valued and supported. There are small class sizes which enable us to know the individual student and develop highly productive working relationships between students and teachers.

We are an academically non-selective school with a collaborative ethos that instils a sense of self-belief in our students which, when combined with the very significant levels of personal development, undoubtedly create the foundations for their academic success. This ethos within our school, coupled with small cohort sizes (number of students in Year 11: GCSE - 29; Year 13: A level - 11 and BTEC - 64), means that ArtsEd has a much small number of candidates sitting GCSE and A levels than most other independent schools; we also have a much wider spread of talent and ability. Consequently, it is inevitable that there will be fluctuations in the overall results of different cohorts; combined year group outcomes do not show the programmes of personalised support for individual students, nor do they reflect the significant progress made by them. The results at ArtsEd reflect the quality of teaching and learning, the ability of our students and their commitment to achieving their best throughout the time they are with us.

This year we are delighted with the results of our students, which reflect outstanding personal achievement, and we congratulate them all.

Year 13 Results

Our Sixth Form students can take one of three different pathways: A levels, BTEC, or uniquely a combination of both. Those on the A level pathway usually start with up to 4 A levels. This year, the majority of students studied the BTEC pathway, which is the BTEC Level 3 Extended Diploma in Performing Arts Practice (Acting/Musical Theatre/Dance) and is the equivalent of 3 A levels; in addition, a significant number of these BTEC students also chose to study 1 or 2 A levels.

This year's Year 13 produced some outstanding results and, when the BTEC and A level results are combined, they achieved a headline of 72% A*- A and 94% A*- C. These were superb and although there was a slight fall in A*- C results from the previous year (1%), this was a much smaller correction than the national picture where on average there was a fall of nearly 8%.

	2023 A level and BTEC combined %
A*-A	72
A*-B	86
A*-C	94

There were some excellent A level outcomes with 83% of grades awarded at A*-C (86% last year). There were some outstanding results, including a number of students who achieved at least one A*.

	2023 A level only %
A*-A	26
A*-B	63
A*-C	83

The BTEC Level 3 Extended Diploma has three main specialisms in the Performing Arts: Acting, Dance and Musical Theatre. There were some outstanding results in these vocational courses, where Distinction* (D*) is the equivalent to an A* at A level; Distinction (D) is an A grade; Merit (M) is a B grade; and Pass (P) a C grade. 92% of students achieved DDD or better (equivalent to AAA at A level); 78% achieving D*D*D* (A level equivalent of 3 A* grades) – this was a 5% increase on the previous year.

Year 11 Results

We were delighted with the GCSE results of our students this year and many students outperformed their predictions. The percentage of students achieving 9-4 including Maths and one English GCSE was 76% (2022 - 78%) – this was really pleasing given the rise in grade boundaries post COVID. Subject areas including Biology, Chemistry and Physics, History, Geography, Film Studies, Art, Drama and Dance achieved a 100% pass rate (9-4). The School's percentage of grades 9-7 was 8% higher than the national average.

All GCSEs	2023 %
9-4	88

Maths & English GCSE	2023 %
Maths 9 – 4	76
English (combined) 9 – 4	92

These outcomes demonstrate that our 'ArtsEd Curriculum', which combines both academic and vocational study, enables us to nurture our hardworking, committed and motivated pupils to achieve some outstanding results.

POST-18 PROVISION

As one of the UK's leading centres of conservatoire education, ArtsEd is proud of its reputation as a provider of world-class, contemporary training. Our Musical Theatre course is consistently recognised as the best in the UK, and one of only a handful which can genuinely claim to produce 'triple threat' performers. Our 3-year Acting course is leading the way in delivering a robust, inclusive, skills-based actor training, focusing on new thinking in response to the rapidly evolving world of the arts and culture.

Based on a range of evidence, including graduate destinations, external reports, feedback from students and industry professionals, annual evaluation, and internal self-assessment, we believe our overall effectiveness to be outstanding. We report a variety of statistical data to the Higher Education Statistics Agency (HESA) including for the Destination of Leavers from Higher Education survey, which calculated that 100% of our graduates go on to work or further study.

Our graduate destinations are outstanding. Each year ArtsEd graduates can be seen performing in commercial theatres in the West End and on tour, as well as appearing in television dramas and feature films.

A number of regulatory, accrediting and validating bodies have oversight of our provision (both HE and FE), and reports from these provide assurance of the quality and relevance of our provision:

- Extremely positive reports from Trinity and graduate outcomes have confirmed DaDA funding for 2023/24.
- · A gold rating by TEF (Teaching Excellence Framework).
- · We are accredited by the Council for Dance, Drama and Musical Theatre.
- · We are a founder member of the Federation of Drama Schools.

· Our provision meets the guidelines set by Equity and Spotlight for conservatoire training.

We can therefore be confident that our content and our curricula remain relevant, the standards of teaching and learning remain very high, with high expectations for what all learners can achieve, and that our education and training provides each student with the best possible preparation for a successful and fulfilling career.

The school continues to attract highly skilled and expert practitioners with a wealth of relevant subject knowledge to teach at ArtsEd, both as regular tutors and visiting creatives. In Year 1 the majority of teaching is undertaken by core in-house staff to encourage confidence, generosity to the ensemble, and to allow students the time and support to develop a broad range of technical skills before testing them against industry standards. As the courses progress, through projects, public productions and professional practice modules, students are introduced to a wide range of practitioners, directors and creatives, including leaders in their field as well as emerging artists. The experience of working with these people develops students' skills and confidence and allows them to build up a broad portfolio of professional contacts in preparation for entry to the industry. This combination of rigorous technical training from in-house staff, and the experience of working with a huge variety of industry professionals, is a key strength of teaching and learning at ArtsEd.

ArtsEd is noted in the industry for our success in attracting and retaining a particularly diverse student body, over one third of our students come from Black, East Asian, South Asian, and other under-represented Ethnic groups. We continue to address under-representation and lack of diversity in UK drama schools in our student population, permanent staffing and the creative practitioners we bring in to work with us. We are committed to maintaining our strength in this area, improving diversity of all kinds over the coming years.

Our commitment to inclusivity is apparent in a warm and welcoming environment, with a strong attention on the development of the individual. The pastoral care that is a core aspect of our provision is rooted in the expertise of our staff and is driven by the belief that a person's wellbeing is core to their success. Training is undertaken each year to update and allow us to critically reflect on our provision and practices. Extensive performance experience gives staff an understanding of the rigours and demands of the industry and the ability to inspire resilience alongside expertise. This is an essential element in creating graduates who are confident, resourceful and committed performers, well prepared to enrich and influence the creative industries in the UK and beyond.

Diversity statistics

In September 2022 the School of Acting recorded an intake of **41%** Black, East Asian, South Asian, and other under-represented Ethnic groups. The School of Musical Theatre recorded an intake of **17%.** Overall, **29%** of the new intake of students are Black, East Asian, South Asian, and other under-represented Ethnic groups. It is an ongoing target to maintain and improve equality, inclusivity and diversity, and efforts are made at audition to recruit students from a diverse range of backgrounds and support them to succeed at the highest levels. We continue to explore how we can influence the intake in Musical Theatre, through targeted outreach and marketing strategies. Our commitment to diversity is demonstrated by the table below, which shows a positive trend over years, reflecting our efforts to attract talented students from a range of backgrounds to our post-18 courses.

Wellbeing and Pastoral Care

The challenge of supporting the growing number of pupils and students with mental health is one faced by all education and training providers. Trustees are committed to supporting initiatives for continual improvement in pastoral care in support services and the promotion of wellbeing for all our students and staff. The HE Registry Team now have a centralised Student Support Team in place who support our students through a range of support mechanisms and procedures such as a new Personal Tutoring System and revised Attendance Policy. ArtsEd also offer on-site external Counselling Service to all students and confidential external online support is available to both staff and students through Togetherall.com. We are committed to ensuring the effectiveness of our support systems for students and ensuring students are supported during their time at ArtsEd.

School of Musical Theatre

ArtsEd's Musical Theatre ("MT") department is regarded as the premier Musical Theatre school in the country, and one of only a handful which can genuinely claim a 'triple threat' training. The training is rigorous and robust. All our Graduate shows for 22/23 were in person with sold out audiences at our Andrew Lloyd Webber Foundation Theatre. For the third year running the MT showcase was filmed as showreels directed by Jonathan O'Boyle, who is the Director of the School of Musical Theatre. The filmed showcase is positive outcome of the pandemic and will remain in the curriculum.

Employability

Students continue to be well prepared for employment, both in the development of the key skills necessary for work in the profession, and in the development of understanding about the industry. They take part in regular mock and preview interviews and auditions, and the requirement to audition for roles in their final year productions and films gives students a real sense of what to expect when seeking professional work. Students benefit from an extensive programme of professional practice talks from agents, casting directors and actors on a range of subjects including how to start their own theatre company, how to manage their finances and taxes, how to develop their own work for television, how to market themselves and understanding their individual casting potential. These industry guests frequently cast and audition the students for professional productions.

Similarly, the policy of bringing West End casting directors to audition BA Musical Theatre whilst still in training continues to be highly successful and will continue for the forthcoming year.

Graduate Success

Recent graduate Josh Barnett has been nominated for a Stage Debut Award for Best Performer in a Musical for his work in Newsies at the Troubadour Wembley Park Theatre.

We have several students up for awards at the Black British Theatre Awards: Charis Alexandra and Leah Vassell are both nominated for *Best Recent Graduate*.

Charis Alexandra is nominated for *Best Supporting Female Actor in a Musical* for her work in *Tina: The Tina Turner Musical* at the Aldwych Theatre.

Nicole-Lily Baisden is nominated for *Best Female Lead Actor in a Musical* for her work in *42nd Street* at Sadler's Wells Theatre.

2023 Graduates

58 students graduated in 2023.

58 students – 100% – secured an agent before they left ArtsEd in May 2023.

Employment

As of 27th September, 33 students secured employment within the first three months of graduating ArtsEd.

That is 55% of students gaining employment within the first 3 months after graduating.

Recent graduate destinations include West End Musicals: Old Friends: Stephen Sondheim Concert, The Wizard of Oz, Mamma Mia, Moulin Rouge, Tina: The Musical, Back To The Future, Les Miserables, Grease, Pretty Woman and Cabaret.

Regional theatre including: Assassins and Rock Follies at Chichester Festival Theatre, Evita at Curve Leicester, Roman Holiday at Bath Theatre Royal, Hairspray at Kilworth House.

UK Tours including: *Hamilton, Wizard of Oz, Wicked, Madagascar The Musical, Jesus Christ Superstar, Pretty Woman.*

As well as International and European tours, including *The Phantom of the Opera* and *Love Never Dies*, and further engagements (concerts and new writing workshops).

Regional theatre including: *Crazy For You* at Chichester Festival Theatre, *Mrs. Doubtfire* and *R&H's Cinderella* in Manchester, *Bake Off The Musical* at Cheltenham Theatre.

UK Tours including: Girl From The North Country, Six The Musical, Strictly Ballroom.

TV including: Archie (ITV). As well as European tours and further engagements (concerts and new writing workshops).

School of Acting

Our School of Acting is one of the most diverse schools in the sector, from both a student and teacher stance. Its reputation has grown substantially. By culturally diversifying the curriculum, pedagogical approach and operational structures it has seen a meaningful cultural shift which has impacted positively on the wellbeing of both students and staff. This is highlighted in the increase of student applications, yet again, at the end of the 2022/23 audition cycle. We offer an inclusive, diverse contemporary industry-facing programme, an exciting alternative to the traditional model of classical theatre training. The BA Acting course was the first to introduce intimacy training and British Sign Language embedded within the 1st Year curriculum, these strands are further

developing to ensure that they weave through all three year's training including 3rd year show support. We continue to develop cross curriculum and co teaching to enhance student experience and our TV Film delivery has been noted by screen industry professionals as the best drama school training provision. This is evidenced in the continued success of the Original Screenplays 2023 '*Prompt Date*' which has won Best Short Film 2023 at the Vlaardings Film Festival (Netherlands), '21st Century Séance' which was selected and now nominated at Grindhouse Nights Film Festival – New Jersey, USA and 'Ocras' which has an Official Selection at the 29th International Festival of Golden Beggar – Slovakia. This again highlights the exceptional training and opportunities offered to our BA Acting Students.

Our commitment to forward-thinking training has also been formally recognised this year, in re-accreditation from CDMT and ArtsEd being awarded 'Gold' for TEF 'Teaching Excellence Framework', by delivering excellence in areas that students care most about: teaching, learning and achieving positive outcomes from their studies. This outcome noted the student submission as one of the best submitted.

Employability

ArtsEd facilitates a robust practical creative environment to facilitate students to progress into professional work in all genres. We bring stage and screen casting directors to audition Acting students whilst still in training, which has started to bear fruit in students being cast for stage and screen. This addition, like our Musical Theatre course, provides another indicator of the quality of standards on the programme. We are proud our students continue to gain professional recognition and obtain high quality professional work.

We are pleased to see **2023 Graduates** undertaking work since graduating in September 2023 for :The Rep Theatre Birmingham '*The Lion, the Witch and the Wardrobe*', Soho Theatre Tour '*Brown Boys Swim*'; Sky 'Sweet Pea'; Bannatar/Thomas Productions 'My Bloody Galentine'; Edinburgh Fringe/The Lion Theatre - Critically acclaimed one man show written and performed by a graduate. Voiceovers for The Guardian and Amazon Prime. 97% SoA Graduates secured agents before leaving and 30% were employed.

Below is an example of some of the work our 2021/22 Graduates have undertaken during 2022/23:

Screen: Apple TV+ series 'Invasion'; Warner Brothers 'The Flash'; ITV 'The Walk In'; Apple TV 'Criminal Record'; Channel 4/Disney/ Lionsgate 'Queenie'; Netflix 'The Crown'; Syfy Channel 'The Arc' Season 2; Empire Productions 'Pulcinella' Apple TV 'Hijack';

Radio/Voicework: BBC Radio 4 series regular Torchwood; Prodigious UK, Iris Worldwide, BBC Audio Drama. Theatre: Criterion Theatre 'Unbelievable' National Theatre extended tour 'The Ocean at the End of the Road' The Changeling Theatre Company 'Loves Labours Lost'; Leeds Playhouse/Home Theatre Manchester/Northern Stage 'The White Card'.

FINANCIAL RESULTS

The Trust produced a deficit for the year of £107,596 (2022: surplus of £108,791). The total accumulated unrestricted general fund surplus at the end of the year was £7,299,987 (2022: £7,259,064). There were designated funds at the year end of £188,110 (2022: £188,110).

Capital expenditure in the year totalled £154,543 (2022: £1,081,403). Year-end cash balances were £4,159,719 (2022: £4,044,269) and there were long term loans with Lloyds Bank plc of £5,994,045 (2022: £6,377,206).

From a financial perspective 2022/23 continued to be a year of recovery and consolidation. The institution has felt the impact of the cost of living crisis and rising inflation, in particular with regards utilities. Our total fee income for the year was £10,592,476 (2022: £10,491,781). Studio hire income continued to grow in the period, generating income of £175,451 (2022: £164,179) and our Theatres Tax Credit generated income of £230,000 (2022: £170,000) due to extra relief from the government. The financial results for the year ended 31 August 2023 continue to be impacted by the on-going regulatory cost arising from the investigation, including the work required to implement the recommendations arising from it.

We are mindful that students and families have felt a significant financial strain during and after the Covid-19 pandemic. We have continued to support families with bursaries from our unrestricted funds of £422,309 (2022: £425,377).

Total expenditure in the year was £11,332,502 (2022: £10,810,567). The increase in costs is largely due to inflationary increases, alongside significant legal and regulatory costs arising.

The Trustees remain confident that our financial position remains robust in an extremely challenging external environment that includes high inflation and financial uncertainty that has put a financial strain on parents and students. A prudent budget has been prepared for 2023/24, during which we will be looking ahead to forge a new 5-year strategy.

Charitable Support

The Trust is immensely grateful for the support from the following individuals and trusts and foundations in 2022/23. Their generosity ensures that we can continue in our mission to enrol students with the greatest potential, regardless of their financial circumstances and that our facilities continue to be of a quality that matches their talent.

Special thanks to:

Future Plans

In 2021, the Board approved an action plan to address the recommendations of the external Investigation setting a timetable for implementation and undertook an external review of governance in summer 2022. This work continued in 2022/23 and will continue furthermore into 2023/24. The Board and senior management are committed to keeping informed the regulatory and validating institutions and other stakeholders on the progress in implementation of its action plan, which will continue to form a key part of our work in 2023/24. Further details of the work undertaken and to complete has been given on pages 7 and 8 of this report,

The ambitions and priorities set out in the Five Year strategic plan continue to guide our plans. This strategic plan will be revised over the coming year when a new and ambitious strategic plan will be launched covering the period to 2030.

Reserves Policy

Total funds at the balance sheet date were £15,604,033 (2022: £15,711,629) of which £2,893,984 were restricted (2022: £3,031,195) and £11,508,097 were unrestricted (20222: £11,467,174). Details of restricted funds are provided in note 19. Of the unrestricted reserves, there is a designated fund of £188,110 (2022: £188,110) which has been set up for student bursaries. Also included in the unrestricted fund is the revaluation reserve of £4,020,000 (2022: £4,020,000) which arose on the last revaluation of the School's land and buildings. At the balance sheet date the permanent endowment fund had a balance of £1,201,952 (2022: £1,213,260).

As the school has historically invested in its building and, accordingly, there were no free reserves at the balance sheet date (2022: £nil). It is likely that free reserves will remain minimal. The Trustees believe that it is important to continue to maintain operational surpluses in order to build up total reserves and in order to be able to invest in the facilities and staff of ArtsEd.

Investment Policy

An investment policy has been written and adopted that seeks to optimise cash flow whilst maximising return on investment in a safe and secure manner. The investments are held within the permanent endowment fund. During the year, the net loss on investments was £11,308 (2022: losses of £133,895). The fund continues to generate restricted income totalling £38,000 (2022: £38,000).

Fundraising practices and performance

Raising voluntary funds from trusts, foundations and individuals is a vital source of income for ArtsEd, enabling us to fulfil our charitable objectives as effectively as possible. We are very grateful for the support from all of our donors.

At ArtsEd, we believe that fundraising should be an open, honest and respectful process. We aim to build partnerships with our supporters and donors that are based on mutual understanding and shared values. In developing our approach to fundraising, we have taken account of the Code of Fundraising Practice issued by the Fundraising Regulator. We have a small internal fundraising team which carries out our principal

fundraising activity and make occasional use of external professional fundraisers for standalone fundraising projects. We do not engage commercial participators to carry out fundraising activity. The fundraising team works closely with ArtsEd's executive and trustees to develop its fundraising strategy and identify potential prospects, the vast majority of whom have an existing connection to ArtsEd or to a member of one of these internal bodies. ArtsEd does not engage in unsolicited face-to-face or telephone fundraising.

As part of General Data Protection Regulation, ArtsEd reviewed and updated its Privacy Policy with regards to fundraising. This policy, published on our website, clearly states what personal data ArtsEd will hold in relation to supporters and how this data will be used. It sets out how individuals can raise concerns or complaints. ArtsEd has received no complaints about its fundraising activities either during the financial year or subsequently.

PRINCIPAL RISKS AND UNCERTAINTIES

Risk Management

The main risks that the Trustees have identified and the plans to manage those risks are:

Compliance – Compliance with the requirements of our regulators is fundamental for ArtsEd to continue to offer an outstanding education to its students in a safe environment. On pages 7 and 8 of this report, we have outlined the significant amount of work that has been undertaken in response to the investigation by Rebecca Tuck QC in 2021. A comprehensive review of our risk register was subsequently undertaken in 2022, with all on-going relevant regulatory and compliance matters, including those identified in the Rebecca Tuck QC report and the subsequent external governance review, to ensure that the risk register appropriately captured all relevant matters arising. In early 2023/24 a new compliance and risk management sub-committee was established.

Reputation – The School's success is built on its reputation of the quality of its education/training and wellbeing of our students.

We manage this risk by:

- constantly reviewing the delivery and relevance of all our education and training
- recruiting, developing, and retaining outstanding academic and professional
- reviewing and applying our safeguarding policies
- providing pastoral support for both students and staff
- actively identifying and resolving health and safety related issues
- constantly reviewing compliance with regulatory matter, providing investment when required
- ensuring that an appropriate building infrastructure is in place for all staff and students

Finance – Our ability to continue is reliant on student fees and effectively managing costs.

We manage this risk by:

- marketing activity to maintain student numbers, and diversify supplementary income
- having a reputation for academic and vocational excellence and excellent student destinations
- having effective credit control procedures
- comprehensive budgeting and regular financial reporting against the approved budget

Competition – Innovative or unexpected developments are made by competitor organisations.

We manage this risk by:

- benchmarking the Schools' performance against industry standards
- regular review of the curriculum and training to ensure that they achieve academic and vocational excellence and meet industry expectations
- monitoring our student destinations
- recruiting and retaining the best staff

Through the risk management processes established for the Charity, the Trustees are satisfied that the major risks identified have been adequately mitigated where necessary. It is recognised that systems can only provide reasonable, but not absolute, assurance that major risks have been adequately managed.

Trustees' responsibilities for the financial statements

The Trustees, who are also directors of ArtsEd for the purposes of company law, are responsible for preparing the Trustees' Report and the Financial Statements in accordance with applicable law and regulations.

Company law requires the Trustees to prepare Financial Statements for each financial year. Under that law the Trustees have prepared the Financial Statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the profit or loss of the charitable company for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities Statement of Recommended Practice ("SORP");
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Provision of information to auditors

The Trustees at the time when this Trustees' Report is approved have confirmed that:

- so far as the Trustees are aware, there is no relevant audit information of which the charitable company's auditors are unaware, and
- the Trustees have taken all the steps that ought to have been taken as Trustees in order to be aware of any information needed by the charitable company's auditors in connection with preparing this report and to establish that the charitable company's auditors are aware of this information.

Trustees' Report, incorporating the Strategic Report, approved on behalf of the Trustees:

THE ARTS EDUCATIONAL SCHOOLS STATEMENT OF CORPORATE GOVERNANCE & INTERNAL CONTROL FOR THE YEAR ENDED 31 AUGUST 2023

Corporate Governance

The Statement which follows is provided to enable readers of the Annual Review and Financial Statements of the School to obtain a better understanding of its governance and legal structure and applies to the 2022/23 financial year and to the date of the approval of the audited financial statements.

The structure of Corporate Governance is set out on pages 3 and 4, being the first section of the Trustees' Report. The Governing Document which dates from 1962 and was last amended in 2023 underpins the Governing practices adopted by the Board.

The Trustees are legally responsible for the overall management and control of the Schools. The Board of Trustees meets at least three times a year. Day to day responsibilities are delegated to the Principal and the Board has six sub-committees that meet at least three times a year that cover specific areas of the business. For the year under review these were:

- The Finance Committee
- The Facilities Committee
- The Development Committee
- The Day School and Sixth Form Committee
- The Higher Education Committee
- The EDI Committee

The minutes of the Management Health and Safety Committee together with all reports from the external advisers are shared with members of the Facilities Committee.

On 5 June 2021 the Board agreed that the Chair, supported by the Deputy Chair and one other Trustee, would manage the Board's response to the external investigation carried out by Rebecca Tuck QC. This response continued in 2022/23. The Policies and Practices Working Group of three Trustees (established in the prior year) continued to work with the Head of HR to take forward the review established in response to the recommendations of the external investigation together with the external governance review (carried out in 2022/23), as explained in detail on pages 7 and 8.

All the sub-committees are attended by the Principal and other senior staff as may be required. Minutes are taken from all such meetings which are included in the Board papers so that all Trustees have an appreciation of the issues dealt with by the sub-committees.

Every year the Board holds at least one Strategic Review day when issues of a longer term and more strategically orientated are considered.

The Principal and the Senior Leadership Board (SLB) meet weekly to discuss current issues and to agree actions for the short, medium and longer term as required. For the current year this has included significant discussions and actions arising from the investigation and the subsequent governance review.

The Finance Committee ensure the adequacy and effectiveness of arrangements for corporate governance, risk management and oversight of any statutory and other regulatory responsibilities including compliance with the OfS's ongoing conditions of registration, any terms and conditions of funding as well as any other relevant regulatory responsibilities.

As part of the action plan in response to the external investigation the Trustees commissioned an external specialist adviser to complete a governance effectiveness review which was completed in March 2022. As

THE ARTS EDUCATIONAL SCHOOLS STATEMENT OF CORPORATE GOVERNANCE & INTERNAL CONTROL FOR THE YEAR ENDED 31 AUGUST 2023

detailed on pages 7 and 8, a detailed action plan is in place to deal with the recommendations arising from this review.

Internal Controls

Identifying and managing risk is a key part of the work of the Board and the SLB. This is addressed by the maintenance of a detailed Risk Register that is discussed and updated as necessary at all the meetings of the Board and the SLB and is covered where appropriate by the other sub-committees.

The approach to internal controls is risk-based including an evaluation of the risks becoming a reality. The risk weighting is considered by assessing the likelihood of the risk and the potential damage it could do. This approach helps management and Trustees prioritise actions and enhance controls if the potential impact of a risk is considered to be increasing.

Whilst many risks do have a financial implication many others do not and could have compliance, operational, health and safety or reputational implications. The Risk Register covers all such issues and not the purely financial ones.

Members of the Board of Trustees understands that it is their responsibility to ensure that a sound system of internal controls is maintained and confirms that it has reviewed the effectiveness of these arrangements.

The Trustees, SLB and external auditors have not identified any significant internal control weaknesses or failures in the financial year under review or in the period since the year end up to the date that the financial statements were signed that need to be disclosed.

THE ARTS EDUCATIONAL SCHOOLS INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE ARTS EDUCATIONAL SCHOOLS FOR THE YEAR ENDED 31 AUGUST 2023

Opinion

We have audited the financial statements of The Arts Educational Schools for the year ended 31 August 2023 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 August 2023 and of the charitable company's net movement in funds, including the income and expenditure, for the year then ended; and
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006 and the Office for Students Accounts Direction.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the group in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Trustees' Report (incorporating the strategic report). Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report (incorporating the strategic report) for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and directors' report included within the Trustees' Report has been prepared in accordance with applicable legal requirements.

THE ARTS EDUCATIONAL SCHOOLS INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE ARTS EDUCATIONAL SCHOOLS FOR THE YEAR ENDED 31 AUGUST 2023

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report (which incorporates the strategic report and directors' report).

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the charitable company; or
- the charitable company financial statements are not in agreement with the accounting records and returns; or
- · certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Matters on which we are required to report in respect of the Office for Students

In our opinion, in all material respects:

- funds administered by the charitable company for specific purposes during the year ended 31 August 2023 as disclosed in note 17, have been applied to those purposes and managed in accordance with relevant legislation;
- funds provided by the OfS and Department for Education have been applied in accordance with the terms and conditions attached to them during the year ended 31 August 2023; and

We have nothing to report in respect of the following matters in relation to which the Office for Students requires us to report where:

- grant and fee income, as disclosed in the note 3 to the accounts, has been materially misstated
- expenditure on access and participation activities for the financial year has been materially misstated

Responsibilities of trustees for the financial statements

As explained more fully in the Statement of Trustees' Responsibilities statement set out on pages 18 and 19, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Based on our understanding of the group and the environment in which it operates, we identified that the principal risks of non-compliance with laws and regulations related to independent schools, higher education and further education provision regulation including Independent Schools Inspectorate, Ofsted and the Office for Students, charity and company law applicable in England and Wales, and we considered the extent to which non-compliance might have a material effect on the financial statements. We also considered those laws and regulations that have a direct impact on the preparation

THE ARTS EDUCATIONAL SCHOOLS INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE ARTS EDUCATIONAL SCHOOLS FOR THE YEAR ENDED 31 AUGUST 2023

of the financial statements such as the Companies Act 2006, Charities Act 2011 and the Office for Students Accounts Direction.

We evaluated management's incentives and opportunities for fraudulent manipulation of the financial statements (including the risk of override of controls), and determined that the principal risks were related to revenue recognition, in particular in relation to voluntary and other income and management override of controls. Audit procedures performed by the engagement team included:

- Inspecting correspondence with regulators and tax authorities;
- Discussions with management including consideration of known or suspected instances of non-compliance with laws and regulation and fraud;
- Evaluating management's controls designed to prevent and detect irregularities;
- Identifying and testing journals, in particular journal entries posted with unusual account combinations, postings by unusual users or with unusual descriptions;
- Reviewing the income recognition around the year end to assess whether income had been recognised in the correct accounting period; and
- Challenging assumptions and judgements made by management in their critical accounting estimates.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an Auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

1. ACCOUNTING POLICIES

Basis of Preparation of the Financial Statements

The financial statements have been prepared in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102), the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) - effective 1 January 2022. The Financial Statements are drawn up under the historical cost convention, with the exception of investments which are included at valuation.

The Trust is a Public Benefit Entity registered as a charity in England and Wales, it was registered in 1962 (charity number: 311087).

Going concern

Having reviewed the funding facilities available to the Trust together with the expected ongoing demand for places and the Trust's future projected cash flows and in addition having reviewed the potential impact of the cost of living crisis and uncertainty on the Trust's finances, the Trustees have a reasonable expectation that the Trust has adequate resources to continue its activities for the foreseeable future and consider that there were no material uncertainties over the Trust's financial viability. Accordingly, they also continue to adopt the going concern basis in preparing the financial statements.

Group structure

A subsidiary called ArtsEd International Ltd (company number 11960873) was established on 24 April 2019. This subsidiary is now dormant and consolidated accounts are therefore no longer required. ArtsEd International Performing Arts Education LLC is limited by shares, of which The Arts Educational Schools owned 49%, until 1 September 2021, when the company was sold to the Dubai local management team for £1. Following the sale, the school no longer had control of the company. The company is now dormant.

Critical accounting judgements and key sources of estimation uncertainty

In the application of the accounting policies, the Trustees are required to make judgement, estimates, and assumptions about the carrying value of assets and liabilities that are not readily apparent from other sources. The estimates and underlying assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affected current and future periods.

In the view of the Trustees, no assumptions concerning the future or estimation uncertainty affecting assets or liabilities at the balance sheet date are likely to result in a material adjustment to their carrying amounts in the next financial year.

THE ARTS EDUCATIONAL SCHOOLS NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2023

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the Trust's financial statements.

Fees and Similar Income

Fees receivable and charges for services and use of the premises, less any allowances, scholarships, bursaries granted by the Trust against those fees, but including contribution received from restricted funds, are accounted for in the period in which the service is provided.

Government grants are reported as fees or other grants as appropriate.

Donations, grants and legacies

Donations, grants and legacies are accounted for as and when entitlement arises, the amount can be reliably quantified and the economic benefit to the School is considered probable.

Investment income

Investment income from the investments and bank balances are accounted for on an accruals basis.

The income from the invested endowment fund is wholly restricted.

Expenditure

Charitable expenditure and administration costs comprise direct expenditure including staff costs attributable to the activity and are accounted for on the accruals basis. Where costs cannot be directly attributed they have been allocated to the activities on a basis consistent with the use of resources. The Trust is unable to recover VAT incurred on expenditure accordingly expenditure is shown inclusive of any associated VAT payable.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the Trust and include the audit fees and costs linked to the strategic management of the Trust.

Fund accounting

Unrestricted funds comprise resources available to the Trustees to be applied for any purpose within the objects of the Trust.

Restricted funds comprise donations for purposes restricted by the wishes of the donor.

Endowment funds arise when the donor has expressly provided that the gift is to be invested and only the income of the fund may be spent. These funds are sub-analysed between those where the Trustees have the discretion to spend the capital (expenditure endowment) and those where there is no discretion to expend the capital (permanent endowment). The Charity has one permanent endowment fund, and no expendable endowment. The fund is managed by the investment managers on a total return basis. This means that the funds are invested to maximise the return on investment without regard as to whether that return is in the form of income from dividends or interest or capital appreciation (where the market value of the investment increases). The investment managers each year release a set amount of that return for spending on bursaries for Musical Theatre students.

Revaluation reserve comprises total revaluations in the deemed cost of the properties.

THE ARTS EDUCATIONAL SCHOOLS NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2023

Designated funds are funds that the Trustees have earmarked for a particular purpose or use without restricting or committing the funds legally.

Pension

The Trust makes pension contributions to defined contribution pension schemes on behalf of certain employees. These contributions are held in a separately administered fund.

Operating leases

Rentals under operating leases are charged on a straight-line basis over the lease term, even if the payments are not made on such a basis. Benefits received and receivable as an incentive to sign an operating lease are similarly spread on a straight-line basis over the lease term.

Fixed asset investments

Investments are a form of basic financial instrument. Fixed asset investments are initially recognized at their transaction value and are subsequently measures at their fair value (market value) as at the balance sheet date. The Statement of Financial Activities includes the net gains and losses arising on revaluation and disposals throughout the year.

Financial instruments

Basic financial instruments are initially recognised at transaction value and subsequently measured at amortised cost. Financial assets held at amortised cost comprise cash at bank and in hand, together with trade and other debtors. Financial liabilities held at amortised cost comprise all creditors except social security and other taxes and provisions.

Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid deposit accounts.

Debtors

Fee and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due. A specific provision is made for debts for which recoverability is in doubt.

Creditors and provisions

Creditors and provisions are recognized where the Trust has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognized at their settlement amount after allowing for any trade discounts due.

Depreciation

Tangible fixed assets are stated at cost or deemed cost, net of depreciation and any provision for impairment. Tangible fixed assets costing greater than or equal to £500 are capitalised and stated at cost, net of depreciation. Depreciation is provided on all tangible fixed assets, other than freehold land, at rates calculated to write off the cost or valuation, less estimated residual value of each asset on a straight-line basis over its expected useful life, as follows:

Freehold buildings 2% per annum
Computer equipment 33.33% per annum
Furniture and fittings 10% - 50% per annum
Motor vehicles 25% per annum
Building & theatre refurbishment 2% - 10% per annum

The valuation of freehold land and buildings on transition to FRS 102 at 1 September 2014 has been taken as the deemed cost.

-The Andrew Lloyd Webber Foundation donated £3.5million to the Schools to fund a major refurbishment project. The funds were received in the three years ended 31 August 2012, 2013 and 2014. The money was spent to improve four key areas: the main theatre, costume storage, the film and television studios and disabled facilities. At the end of October 2013 when the work was virtually complete, the expenditure was transferred to fixed assets and from that date is being depreciated and included under expenditure.

- The ArtsEd Student Fund- This was set up to accommodate student hardship.
- The ArtsEd Scholarship Fund is used to provide scholarships.
- The Bursary Fund is used to provide bursaries.
- The Capital Campaign is used to help fund the project build.
- The Chris Hornby Fund was created to award an annual scholarship to a Musical Theatre student.
- The CMF Charitable Trust donated towards a scholarship for a Musical Theatre student.
- Leverhulme Trust made a donation for the provision of higher education bursaries (a transfer from the general fund was made to subsidise bursaries funded by the Trust).
- The donation from Guildford Academic Associates is for a bursary fund for the Musical Theatre students.
- The restoration levy is £1 charge on every box office ticket which goes towards maintenance of the building.
- The Spencer Will Trust donated £5,000 towards equipment for the Film and TV department.
- The TAP fund consists of donations made to the Charity by the Day School and Sixth Form parent's association, to be applied towards hardship purposes.
- Excellence Award: a donation of £1,000,000 was made in 2015-16 which is to be used to provide awards for exceptionally talented Musical Theatre students.
- The Graham Martin Memorial Fund is a bursary fund for HE students.
- The Friends Giving fund is a bursary fund for HE students.
- The Green Roof Fund has been set up to help finance the new green roof (following the completion of the roof a transfer of the fund was made towards capital costs incurred from the general fund).
